Daisy Bunny is in the Entertainment category with the Feature 2nd-Screen Experience. You can check all apps from the developer of Daisy Bunny and find 76 alternative apps to Daisy Bunny on Android. Currently, this app is free. This app can be downloaded on Android 4.0+ on APKFab or Google Play. All APK/XAPK files on APKFab.com are original and 100% safe with quick download. We invite you to participate in this unforgettable experience where you will perform new skills, apart from learning to be responsible for someone else except yourself. Play our Daisy Bunny game to have a real perspective of reality and how a little bunny should be treated according to its needs. The complexity of this game is brought by the way you respond to Daisy's wishes. As a good pet owner, you need to be aware of her fatigue or when she is hungry, in the mood for fun and other activities she demands. Keep tracking their needs and make sure they are met to have a happy bunny. Feed them with delicious meals and fresh fruit. If you don't have any food, you have to go to the store to buy some. They also have to use the money for it and they could easily be won in the mini-games section. Here you will play several popular games to get enough money for various things that your pet might need. Put her to bed, give her a bath and let her train for her healthy lifestyle. The way it looks could also be changed, but also by using your money. There will be items that are blocked, but once you get the necessary points, you can have them. Buy her a nice hat, maybe a new color for her fur and you could also try some clothes. Don't be afraid to use different styles to create a chic look. Check out some of the features that could impress you in this game: - Real Experience and Cool Graphic Incorporated Mini Games - Caring for a Cute Rabbit and Their Needs- A Fashion Area, where you can design- learn beauty tricks- Become more active and see how a good workout is done- Change the look by unlocking different elements- Multiple levels and the ability to control the game easily- Perfect your techniques as a pet keeper Read more Safe to DownloadApkApp.Gallery and the download link of this app are 100% safe. The download link App, so the app is original and has not been changed in any way. Have you ever dreamed of having a pet bunny? Do you want your children to learn how to look after a pet? The Winkypinky Studio has released a nice game for the whole family where you have to pamper an adorable bunny. Love Your Virtual Pet Daisy Bunny is a game for Android in which players have to take care of a virtual pet, in this case an adorable bunny. Your mission is to Basic needs such as food, peace and hygiene. And you can interact with Daisy in different ways. Make sure she brushes her teeth and cares about her hair and body, puts her to bed and turns off the light so she can rest. Of course, you should also pamper Daisy, feed her properly and even play with her. This title also includes five puzzle and skill mini-games. We invite you to participate in this unforgettable experience. They will acquire new skills and learn to be responsible for someone other than themselves. You can also take your little bunny to the beauty salon and change your hairstyle, go to the shopping center to buy her clothes and accessories, to the farm and even to the gym to do some sports.
